## Exhortation:

**Matt. 13:25** “But while men slept, his enemy came and sowed tares among the wheat and went his way” Many people have suffered terribly as a result of being very ignorant of what the devil does while men sleep and dream. Dreams are spiritual channels of receiving messages of the happenings in the spiritual world. Dreams can come from God, man or our enemies. In the scriptures: Joseph, Pharaoh, Nebuchadnezzar, Jacob, Solomon, Apostle Paul, Pilate’s wife all had dreams that affected and transformed their lives.

Many evil seeds have been sown into people’s lives through dreams right from infancy, growing with them over the years, now making them to have failure, defeat and hindrances in all areas of their lives. Some people would have a peculiar dream whenever there is a major breakthrough ahead and immediately after that dream, the expected manifestations will automatically be aborted. That is called dream activator.

So many people’s vehicle of Destiny have been severely attacked and damaged in the dream and so nothing works for them on the physical. It is important to know that the council of wickedness do spend sleepless night in order to fulfill their quota/target to hinder men from moving forward. That is why we must be engaged in Night battles to really attack our stubborn enemies in the very act.

Please note that it is the Holy Spirit who can interpret our Dreams for us, He is our teacher. Let us enquire from Him the source of our dreams, the meaning and the next step to take.
