Exhortation:

In Romans 9:15-16 the bible tells us of the power of the mercy of God. Psalm 127 reveals the infinite ability of God both to build and to keep, of our families, homes and cities; It tells us that children are a heritage of the LORD (our inheritance from God) and the fruit of the womb is his reward, that is, God expect the womb to be able to receive the seed, nourish it to maturity and bring forth the fruit as child/ren). Therefore, miscarriages and abortion are not of God but satanic manipulations. This truth is re-enforced by God's promise in Exodus 23:26 – "there shall nothing miscarry nor be barren in your land, the number of your days I will fulfil" says the Lord of Host. There can be nothing more re-assuring than the above scriptures. Isaiah 66:9 underlines some very important truth that we must hold on to, i.e. that God will not shut the womb nor cause you not to bring forth when it is time. And Numbers 23:19 tells us that "God is not a man that he should lie neither the son of man that he should to repent". Isaiah 46:10-11 tells us that the counsel of God shall stand and as he purposed so shall it come to pass. We must hold unto these words of God in line with Hebrews 10:23 and Isaiah 55:10 and stand in the place of faith to claim our heritage in God.

We must engage to conquer and overcome to possess our miracles. Please begin with a session of praise and worship to enter into His presence. As you pray, the Lord will give you victory in Jesus name.
